**Packaging size:** 1 Gallon + 1 Dispenser per Gallon

**ANTIMICROBIAL HAND SOAP** is a mild hand cleaner containing PCMX, a proven germicidal agent that helps reduce the germs and bacteria on your hands.

It is recommended for use in areas where a higher degree of hand sanitation than washing with normal hand soap is desired.

**DIRECTIONS:** Dispense small amount into palm of hand. Work into lather. Wash hands for 30 seconds for maximum benefit.

Rinse completely and dry.

**Foaming Dispenser:** Refillable, 8 ounce, air-infusing system dispenses thick, rich, smooth foamy soap. (16 refills per gallon)
