Freeze-Thaw Stability.....	Will freeze, usable after thawing with no change in performance

Sani-Foam is a no-rinse non-alcohol foaming hand sanitizer that can be used to kill the most common germs that may cause illness. This water based sanitizer has been specially formulated with a unique quaternary ammonium antimicrobial compound (Benzalkonium Chloride, USP).

Hand Hygiene has been cited as the most important factor in preventing the spread of infections and illnesses, such as colds and flu.

Alcohol hand sanitizers can dry out your skin with repeated use. Sani-Foam Non-Alcohol Hand Sanitizer contains moisturizers that will leave your hands smooth and soft with repeated use.

USE IN: Amusement Parks, Dental Offices, Hospitals, Showers, Assisted Living Facilities, Fitness Centers, Hotels, Restaurants, Caterers, Health Spas, Nursing Homes, Veterinarian Clinics, Clinics, Hospices, Schools, YMCAs, Coroner's Offices.
